Notice Concerning Property Acquisition

Nomura Real Estate Office Fund, Inc. (“Nomura Office Fund” or the “Fund”) today announced that it has determined the acquisition of real estate, as briefly stated below.

1. Summary of the Asset (the “Property”)

- (1) Type of asset: Trust beneficial interest
- (2) Property name: Hiroshima Chowa Building
- (3) Acquisition price: ¥2,100 million
- (4) Date of agreement: November 30, 2005 (date of execution of the agreement on purchase and sale of trust beneficial interest)
- (5) Scheduled date of acquisition: November 30, 2005 (scheduled date of closing of the transaction and delivery of the trust beneficial interest)
- (6) Seller: YK JN Investment (please refer to 4. “Seller Profile,” below)
- (7) Financing: Private fund, the issuance of the investment corporation bonds and debt financing

2. Grounds

Nomura Office Fund will acquire the Property in accordance with the Fund’s policies as stipulated in its Articles of Incorporation. Especially, the Fund appreciates the following factors.

- Hacchobori area where the Property is located is close to main public organizations, such as Hiroshima Prefectural Government and Hiroshima City Office. It is the center for business and commerce in Hiroshima where it concentrates office buildings and department stores.
- The Property has the total floor area of approximately 8,200 sq. meters, one of the largest office sizes in the area, and it is located at the corner fronting the main street called Aioi Street which enables good visibility. The floor shape of the building

could be divided into small parcels. Also renovation works have been done on facilities to meet various kinds of tenants' needs; such as renewal of interior in common areas, floor-separated air conditioning system, electrical capacity of 55VA/m², office automation floors, and machines related to transformers and air controlled system have been renewed or updated. Anti-earthquake reinforcement on building structure is planned right after acquisition to satisfy the demands of tenants for mid- to long-term.

- As mentioned above, stable demands from a wide range of tenants such as financial institutions or branch offices of nationwide corporations, and service-related companies or various schools that expect visitors are expected.

3. Property Summary

Area (Note 1)	Land	925.55 sq. meters
	Building	8,206.91 sq. meters
Type of Ownership	Land	Ownership
	Building	Ownership
Percentage of Interest	Land	100%
	Building	100%
Building Coverage Ratio		100% (Note 3)
Floor-area Ratio		900%
Collateral		None
Property Management Company		Nomura Real Estate Development Co., Ltd. (Note 4)

Notes	<ul style="list-style-type: none">• The property management company, NRED, is a related party (“Related Party”) as defined under the Law Concerning Investment Trust and Investment Corporations (“Investment Trust Law”).• The Property was designed and constructed in compliance with the former Building Standards Law Enforcement Order (the former Earthquake-Resistance Standards.) The Fund plans to conduct an earthquake retrofitting works immediately after the acquisition of the Property. The PLM of the Property is valued as 13% according to the Engineering Report dated November 11, 2005 and prepared by Shimizu Corporation.• Some of the lighting fixtures in the Property use the fluorescent ballasts containing polychlorinated biphenyl (“PCB”). Several condensers and ballasts containing PCB are kept on the Property, the custodial responsibility of which is owed by the Trustee. According to the above-mentioned Engineering Report, there is no likelihood of leakage, that said condensers and ballasts are properly kept in compliance with laws and regulations, and there is no affect to the environment. The Fund plans to remove the fluorescent ballasts currently used.• Air-borne asbestos is used in the machine room and the like of the Property. According to the above-mentioned engineering report, there are no problem with the places, where asbestos is used, and the control over such places and such use does not affect the environment. The Fund plans to remove asbestos after its acquisition of the Property.• The Trustee leases parking spaces outside the Property in order to sublease the same to the tenants of the Property.				
Acquisition Price	¥2,100 million				
Appraisal Value and Method	¥2,100 million (based on the capitalization approach, as of November 15, 2005) (Appraiser: Morii Appraisal & Investment Consulting, Inc.)				
Estimated NOI (Note 5)	¥150 million				
Leasing Status (Estimation as of November 29, 2005)					
Total number of Tenants	21				
Total Rental Income	¥174 million (Rents for November 2005 × 12 on the contract basis)				
Occupancy Rate	78.4%				
Total Leased Floor Space	3,396.53 sq. meters				
Total Leasable Floor Space	4,334.75 sq. meters				
Occupancy Rates in the Past (Note 6)	March 31, 2001	March 31, 2002	March 31, 2003	March 31, 2004	March 31, 2005
	-	-	82.4%	87.1%	79.4%

(Notes)

1. Location and several other items
Location, Completion Date, Structure and Areas are based on the information in the real estate registry. According to confirmed notification of the Property based on the Building Standards Code, the structure is SRC, B2/9F with 3F penthouse.
2. PML (Probable Maximum Loss)
PML shows the losses caused by a major earthquake, as a percentage of the expected recovery cost to the replacement cost. PML is calculated based on the statistical assumption that within next 475 years there is a 0.211% annual chance (10% probability of once every 50 years, i.e., average life time of buildings) of major earthquake occurring.
3. Building Coverage Ratio
The Property is located in the commercial area with the principle building coverage ratio of 80%. As the building is fire-resistant in a fire zone, an increased ratio of 100% applies.
4. Property Management Company
Nomura Real Estate Development Co., Ltd is scheduled to be appointed.
5. Estimated NOI
NOI means the net operating income that is the gross income from the leasing operation less the total operation costs and expenses.
Estimated NOI shows the forecast amount for one year without considering the special factors affecting the year of the acquisition and is calculated based on the following assumptions.
(a) Occupancy rate: 90.6% (office: 89%, retail: 100%)
(b) Tax amounts: same as those imposed in 2005 tax year.
6. Occupancy rates in the past are based on the information provided by the seller.

4. Seller Profile

Company Name	YK JN Investment
Head Office	1-26-2, Nishi-Shinjuku, Shinjuku-ku, Tokyo
Representative	Shinji Nakazawa, Director
Capital	¥3 million (As of November 29, 2005)
Principal Business	Real Estate
Relationship with Nomura Office Fund	None

5. Transaction with Related Parties

(1) Acquisition of the Property

The acquisition of the property is not a transaction with a Related Party under the Investment Trust Law. However, as the related party of the Asset Management Company has been in a position to advise the seller in regard to the management and maintenance of the Property, Nomura Office Fund and the Asset Management Company determined the acquisition and the terms and conditions of the transaction, including the price, pursuant to the restrictions and formalities concerning the transactions with related parties as set forth in the Investment Trust Law and the Asset Management Company's bylaws and duly authorized by the Compliance Committee and Investment Committee of the Asset Management Company.

(2) Property Management

The property management company, Nomura Real Estate Development Co. Ltd., is a Related Party under the Investment Trust Law. Nomura Office Fund and its Asset Management Company determined the consignment and the terms and conditions of the transaction, including the fees, pursuant to the restrictions and formalities concerning the transactions with related parties as set forth in the Investment Trust Law and the asset management company's bylaws and duly authorized by the Compliance Committee and Investment Committee of the Asset Management Company.

6. Schedule for acquisition

November 30, 2005 (Scheduled)	Execution of the agreement on purchase and sale of the trust beneficial interest
November 30, 2005 (Scheduled)	Closing of the transaction and delivery of the trust beneficial interest

7. Forecasts of Financial Results

Forecasts of financial results of the Fund for the fiscal period ending April 30, 2006 (November 1, 2005 to April 30, 2006) including the acquisition of the Property and 3 other new properties in the portfolio are scheduled to be reported on December 20, 2005 in the financial statement for the fiscal period ending October 31, 2005.

(4) Capitalization rate	6.2%	Determined based on the location and the characteristics and variance in the net operating income and also considering the cap rates of the buildings located in the vicinity, etc.
Price calculated by the discounted cash flow approach	2,100,000,000	
Discount rate	6.0%	
Terminal capitalization rate	6.4%	
Cost approach price	1,990,000,000	
Ratio of land	79.9%	
Ratio of building	20.1%	

Items considered for the adjustment of the results of derivations and determination of the appraised value	The property is located in the area from Kamiyacho to Hacchobori, known as a major business district in Hiroshima City, where the core of Hiroshima's economy has developed from old times. The area is concentrated with office buildings and large department stores, therefore, there are steady needs for offices and retail stores. The appraisal value was determined based on superiority in location described above and renovation status, etc.
