Notice Concerning Property Acquisition

Nomura Real Estate Office Fund, Inc. (“Nomura Office Fund” or the “Fund”) announced today that it has determined the acquisition of real estate, as stated below.

1. Summary of the Asset (the “Property”)

- (1) Type of asset: Trust beneficial interest
- (2) Property name: EME Hakata Ekimae Building
- (3) Acquisition price: ¥6,750 million
- (4) Scheduled date of agreement: June 27, 2008 (date of agreement on purchase and sale of the trust beneficial interest)
- (5) Scheduled date of acquisition: June 27, 2008 (date of delivery of the trust beneficial interest)
- (6) Seller: GE Real Estate Corporation
- (7) Financing: Debt financing

2. Grounds

Nomura Office Fund will acquire the Property in accordance with the Fund’s policies as stipulated in its Articles of Incorporation. The Fund values the following factors.

- The Property is located close to Hakata Station, a main station of the Kyushu economic area, where lines such as the Sanyo Shinkansen, the JR Kagoshima Main Line/Hakata Minami Line and the Fukuoka Subway Kuko Line connect, and it is also located in an office area that, along with the Tenjin area, represents Fukuoka. Also, the said area, in spring 2011, is scheduled to launch the opening of the entire Kyushu Shinkansen Line and to complete the Shin Hakata Station Building, made up mainly of commercial facilities, with a prospect of further developing as a business and commercial center, can expect not only demands from general office space tenants, but also tenants looking for a location near the station for expectant visitors, etc.
- The Property, located on a corner lot of Kuko Dori, 1 minute from Hakata Station,

has excellent accessibility and high visibility from the station. The building has a total floor area of approximately 11,000 sq. meters and a standard floor area of approximately 650 sq. meters, and major renovations have been completed from 2005 to 2007, such as converting to individual air conditioning system or entrance/standard floor common area renewal works, etc. Thus, mid-to-long term stable demand is expected from tenants who seek the needs mentioned above.
